Hi Monica – I was just reminded there's a call on the Davis refinery coming up at 12:30 mountain time. Terry will likely be on the call as he has been on previous calls. Jim Semerad didn't say anything about this yesterday so he may have forgotten also. ND doesn't send meeting invites and I forgot to remind Patrick to send for this meeting. It's the same team as for the soybean plant permit and we talked about both on last month's call. Sorry for the short notice in case you want to participate. Maybe you already called Terry. If not, we can just generally say that soybean comment letter is coming and again offer follow-up call (unless we need to wait to hear that Doug is ok with sending letter). Patrick reserved Prairie Rose if you want to go there. DJ and I are calling in remotely. I'll be heading to the airport after the call.

Gail
